

Quality Policy Statement

Egan Waste Services Ltd, aims to become a leading provider of material recovery and support services. The support services consist of a 24/7-hour emergency service for our customers. As part of our service, we provide a sewer and drain support service with our fleet of tankers, jet-vacs and jetting vans, CCTV and other associated equipment. Non-hazardous & hazardous waste collections and disposal

In meeting the above, Egan Waste Services Limited also aims to achieve high levels of customer satisfaction by delivering reliable, high quality and cost-effective services within agreed time frames thus generating the returns required to:

- Reward our people for their efforts.
- Provide the funds to support future operations and company growth.
- Provide a stable and enjoyable workplace for the entire team.

Egan Waste Services Ltd is committed to the continual improvement of its performance by the monitoring of quality issues and through involvement with customers, suppliers, regulatory authorities and the community. This is reflected in us achieving ISO 9001:2015 Certification in 2018.

To assist with the above, and in 2020 / 2021 Egan Waste Services Limited will have continue to implement an improved and more coherent Quality System for its employees and business needs, and for the requirements of our suppliers and customers.

Compliance and improvement are monitored by process measures and internal audits and is maintained by the timely implementation of preventive and corrective actions.

Meeting these standards is the responsibility of the entire team. Egan Waste Services Limited is therefore committed to working with all participants to support effective operation of the Company's Quality System and the achievement of goals and specific Quality Objectives. As part of these objectives are the requirements of GDPR that came in to effect on the 25th May 2018.

James Egan – Director
